

THREE CENTS LEFT

Standard Oil Wagon Drivers
Show What Remains.

RENT, FUEL, FOOD COST \$1.97

Rockefeller's Manager Admits He Could Not Live on the Wage Received by the Men, But Declares He Can Get Plenty of Drivers at the Price.

Chicago, Nov. 21.—Can a teamster buy clothing and shoes for himself and family, pay doctors bills, buy school books for his children and get the minor household necessities for three cents a day?

That is the question that a committee from the Oil Wagon Drivers Union asked Manager Stephen Hurd of the Standard Oil Company yesterday. The oil wagon driver receives \$2 a day and are asking for an increase to \$75 a month. They adopted a novel method of presenting their case to the representative of the richest corporation in the world. A committee headed by James Duffy, the business manager of the Union, called on Manager Hurd yesterday.

"I want to show you what it costs the average family to live," said Duffy. He presented a schedule showing that rent, food, fuel, light, and carfare cost a man \$1.97 a day.

"We get \$2 a day," said Duffy, "and I ask you if you think that we can buy clothing and other necessary things on three cents a day. Could you live on \$2 a day yourself, Mr. Hurd?"

"No, I don't believe I could," replied Mr. Hurd, "and probably you can't either, but the fact is, I can get plenty of teamsters who are willing to work for that price. That is really what governs wages more than the cost of living."

The new scale has been approved by the teamsters joint council. A meeting of the union will be held tonight to vote on the question of calling a strike. Three independent companies have already agreed to pay the increase.

FAMOUS ECONOMY FRUIT JARS

One of which, together with a Booklet of Recipes, will be given with each 25-cent or higher want ad. inserted in either The Daily or The Sunday Astorian.

What Mr. Fred Dresser has to say about the ECONOMY JAR: Kerr Glass Manufacturing Company, Portland, Oregon. Gentlemen: Referring to the ECONOMY FRUIT JAR, we are pleased to say that we have been selling them for three years. The first year we ordered three gross, the second year ten gross, and this year our order calls for twenty-five gross. We believe that within a few years they will be the only jar in use; first, because the quality of the jar far exceeds all others; second, the jar is sanitary, having a wide mouth, therefore easily cleaned. The cover is as sanitary as the glass itself, while the cover on many other jars are made of zinc, which produces poison when in contact with fruit and vegetables. The absolute certainty of every ECONOMY JAR sealing makes it the ideal jar for canning purposes. We bespeak a great future for the ECONOMY JAR. We are very truly yours, F. DRESSER & CO. By F. Dresser, Pres.
